

Like What You See? (We can do this for you too.)

In addition to creating and producing our original line-up of conferences, International Business Forum is proud to highlight the **Managed Meeting Services**.

Leave the work to us. With our expertise and solid industry relationships, International Business Forum offers managed meetings, event services, and customized private label conferences.

Leverage our experience and contacts so you can stay focused on core business responsibilities while having a trusted partner that shares the vision for executing a first-class event.

We cover everything from start to finish. When outsourcing your meeting to IBF, you have one point of contact to assume the management of EVERY aspect of your event.

Contact IBF to manage your next event, including:

- Annual Partner Meetings
- Investment Banking Conferences
- Client Conferences
- Corporate Outings
- Industry Meetings
